

POTOMAC FOSTER CARE N E T W O R K

3 WAYS YOUR KIDS CAN GET INVOLVED!

1. Operation Christmas Child

If you have never filled an OCC box, this is a great way to get your kids involved in orphan care.

2. Prayer Warriors

Provide the kids in your kid's church with a way to pray for foster kids. Make baseball cards with kids' names who need prayer. This is a great way to teach compassion and stir kids' hearts for those in need.

3. Orphan Sunday

Look up when Orphan Sunday is and plan a service for kids. Make sure to engage the senses with different aspects of the service, including sights, smells, tastes, and textures that may be unfamiliar to the kids and can help them understand the orphan crisis worldwide.
