

POTOMAC FOSTER CARE NETWORK

3 WAYS YOUR CHURCH CAN GET INVOLVED!

1. Hello, My Name Is

Reach out to your local child welfare office and introduce yourself. Ask these questions:

“What are the greatest needs in our county?”

“And how can our church help meet those needs?”

2. The Basics

Find out what items your church could collect to help foster kids in need. Some common items: **diapers, clothes, shoes, school supplies, and backpacks.**

3. Wraparound Support

Identify the Foster or adoptive families in your church or community and connect with them to see how you can support them.

Some of the best ways to do this is to provide meals and other basic needs.
